

OWN YOUR WARRANTY PROGRAM

Minimize exposure to maximize claims with tax-deferred dollars

Custom Warranty Program

Warranties are a valuable tool to distinguish a company amongst its competition and to signal its service or product quality. Whether a company already offers a warranty program, or is considering offering one, SRA brings valuable tools to maximize the benefits of implementing a customized warranty program. Through the SRA Safe Harbor Custom Warranty Plan, clients can gain an additional revenue source all while stabilizing cash flow and minimizing exposure.
